Additional instructions for mailing your package

- Before UPS comes, securely pack your return.
If you are preparing multiple items for UPS Pick up return, please check whether the items should be packaged in separate boxes, or in a single box. Ensure that there are no other tracking labels attached to your package. If you are shipping any non-hazardous items, completely remove or cover any hazardous materials markings.
Package your return, and UPS will make one (1) pick-up attempt the next business day between 10:30am-9pm. UPS will bring the return label. An adult must be present. If UPS is not able to collect the package, they will leave the label and you can drop the package off at any UPS Store location. Due to COVID-19 social distancing guidelines, drivers are not permitted to enter the home for any reason.
If the attempt fails UPS will leave you a label, feel free to drop off your package at your closest UPS location, visit the [UPS Drop Off Locator](#) or go to www.ups.com.
