

## Broadband Rate Information

The non-discounted rates your company will need to gather and report for each broadband service offered in selected census tract(s) are shown below. Enter the non-discounted rates new residential customers would pay for the broadband services you offer in the census tract. Do not report discounted prices, business prices, or prices that only existing customers can receive.

*All fields are required unless marked optional.*

Service Name

Service Technology

**Note:** Please select the service type from the dropdown menu based on your service's last mile technology. Users may use *only* the technologies listed in the dropdown menu. If you have questions, please email them to the [Urban Rate Survey support team](#).

Advertised Download Speed  
 Mbps

Advertised Upload Speed  
 Mbps

Is the monthly capacity unlimited  
 Yes  No

Multiple rates  
 Yes  No

**Note:** If you have different sets of prices for different jurisdictions (villages/towns/municipalities) for a service within this census tract, then list the minimum and maximum undiscounted rates/fees/surcharges for that service. Do not list discounted rates.

**Monthly Rates for service**

Rates	Not Charged	Rate ( <i>Undiscounted</i> )
Recurring monthly charge	<input type="checkbox"/>	<input type="text"/>
Total of state, local, and municipal taxes	<input type="checkbox"/>	<input type="text"/>
Total of all other mandatory fees and taxes (such as provider surcharges, etc.) passed through	<input type="checkbox"/>	<input type="text"/>
Surcharges on the service accounted as company revenue (i.e. non-pass through)	<input type="checkbox"/>	<input type="text"/>
Activation or connection not requiring a service visit to the premises	<input type="checkbox"/>	<input type="text"/>
Activation or connection requiring a service visit (but assuming the premises is already physically wired)	<input type="checkbox"/>	<input type="text"/>
What is the purchase price for necessary hardware? (if provider sells such hardware.)	<input type="checkbox"/>	<input type="text"/>
What is the monthly rental price for necessary hardware? (if provider rents hardware.)	<input type="checkbox"/>	<input type="text"/>
Computer/laptop hook-up by service technician already making a service visit.	<input type="checkbox"/>	<input type="text"/>

Does this service require the customer use a modem or similar hardware?  
 Yes  No

## Voice Rate Information

The non-discounted rates your company will need to gather and report for each voice service offered in selected census tract(s) are shown below. Enter the non-discounted rates new residential customers would pay for voice services that you offer in the census tract. Do not report discounted prices, business prices, or prices that only existing customers can receive. There are up to three voice services for which you will need to file data: 1) Unlimited - Flat Rate - Local Service; 2) Unlimited All-Distance Service; and 3) Measured or Messaged Local Voice Service.

*All fields are required unless marked optional.*

Does this carrier offer Unlimited or Flat-Rate Local Service?

Yes  No

This carrier offers the above service through:

VoIP

▶  Multiple VoIP rates? (uncommon)

Circuit Switched

▶  Multiple Circuit Switched rates? (uncommon)

Indicate whether the service is available to the customer through Circuit Switched, VoIP or both.

---

If you have different sets of prices for different jurisdictions (villages/towns/municipalities) for a service within this census tract, then list the minimum and maximum **undiscounted** rates/fees/surcharges for that service. Do **not** list discounted rates.

---
